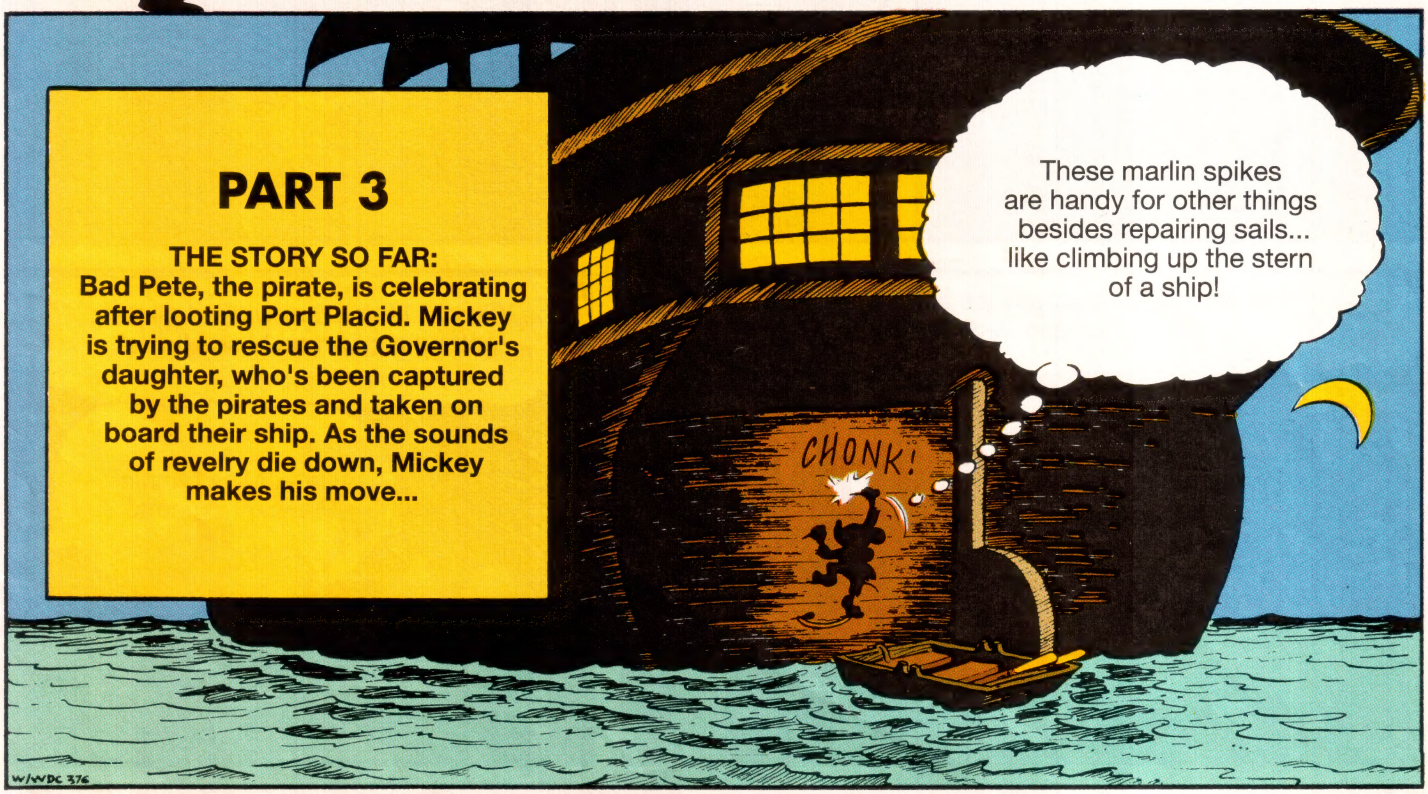
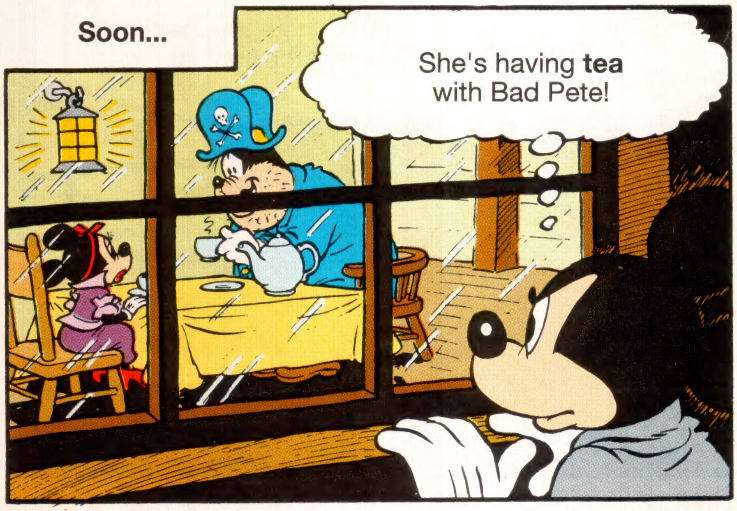
MICKEY MOUSE

The Pirates Of Port Placid

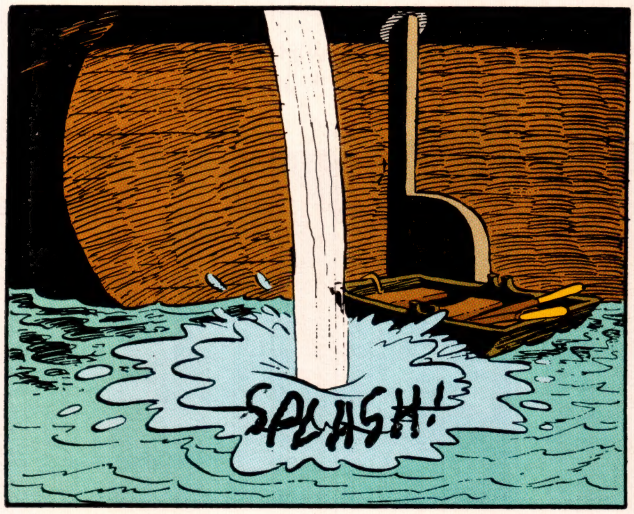


PART 3
THE STORY SO FAR:
Bad Pete, the pirate, is celebrating after looting Port Placid. Mickey is trying to rescue the Governor's daughter, who's been captured by the pirates and taken on board their ship. As the sounds of revelry die down, Mickey makes his move...
These marlin spikes are handy for other things besides repairing sails... like climbing up the stern of a ship!
CHONK!
W/WDC 376

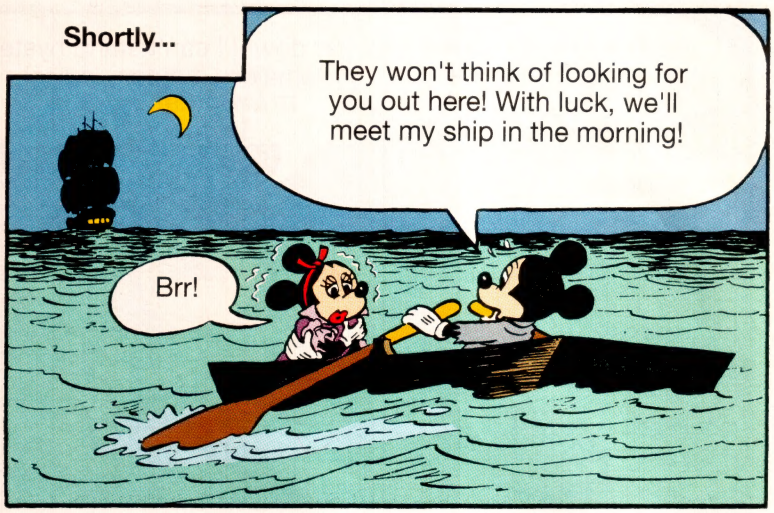


Boo-hoo! I want to go home! Bawww!
Stop it! I can't stand a booing female!
(Sob!) I-I'm no female! I'm a lady!
Okay! You're a lady! Now hit th' sack!
(Sniff!)
Please!
Your cabin's fixed up all nice and female-like... er... I mean, lady-like!
Thanks!
Y'know, I think that wicked pirate's getting a crush on Miss Minnie!
G'nite, Miss Minnie! Pleasant dreams!
SLAM! CLICK!
The sooner I get her out of here, the better! That's her cabin where the light is!
Psst! Miss Minnie!
TAP! TAP!
?
EEK!
Help! Help! A-a man's peeking in my window!
Huh?

H-he was **ugly**! He had a wild, crazed look in his eyes!
Simmer down! I can't stand hysterical females... I mean, ladies!
No one here! He must have gone back up on deck!
Roust the crew! I want every man to account for where he's been in the last five minutes!
Ugly! Horrible! Wild, crazed look! Humph! I see...
SLAM! CLICK!
No yelling, Miss Minnie!
Ee...
There's no time for hysterics! Climb through the window quickly!
Mmf!
Minutes later...
I-I'm scared! I-I c-can't m-move!
In that case, there's only one thing to do!
Hang on!



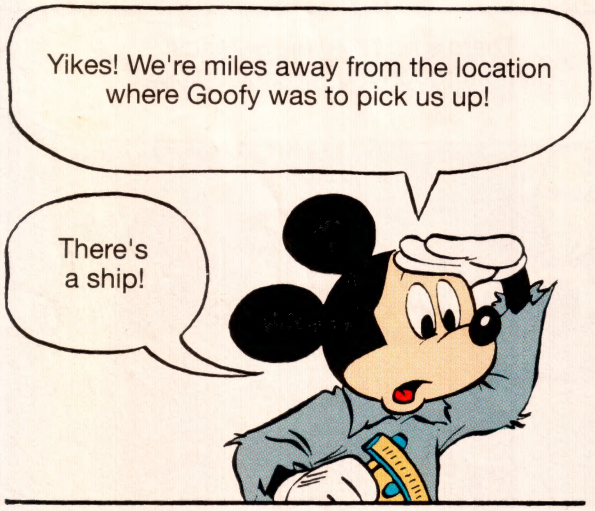
SPLASH!



Shortly...
They won't think of looking for you out here! With luck, we'll meet my ship in the morning!
Brr!

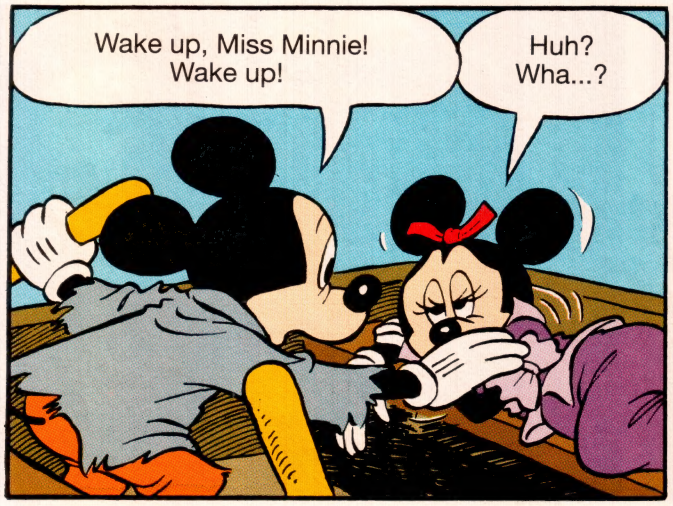
Comes the dawn...
Omigosh! I must have fallen asleep!
ZZ!

Good thing I came prepared for an emergency and brought a sextant!

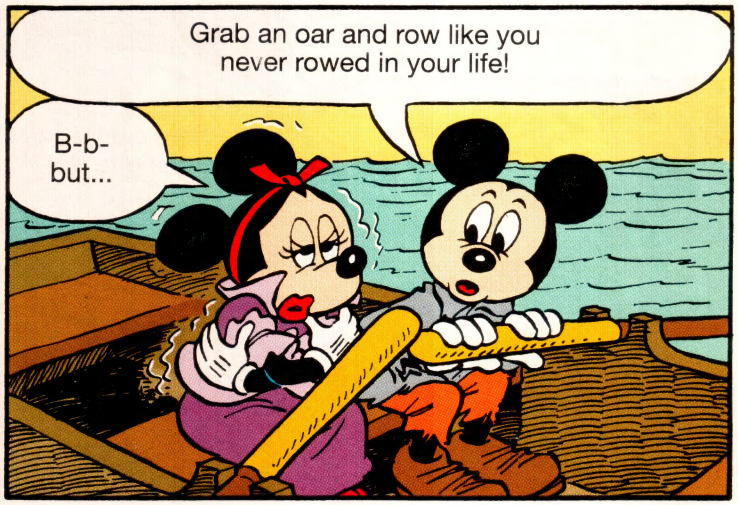


Yikes! We're miles away from the location where Goofy was to pick us up!
There's a ship!

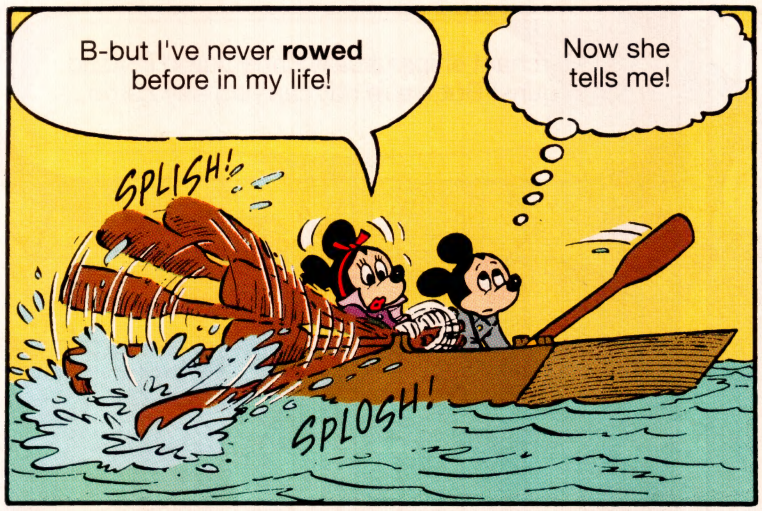
Those black sails belong to only one ship... Bad Pete's!



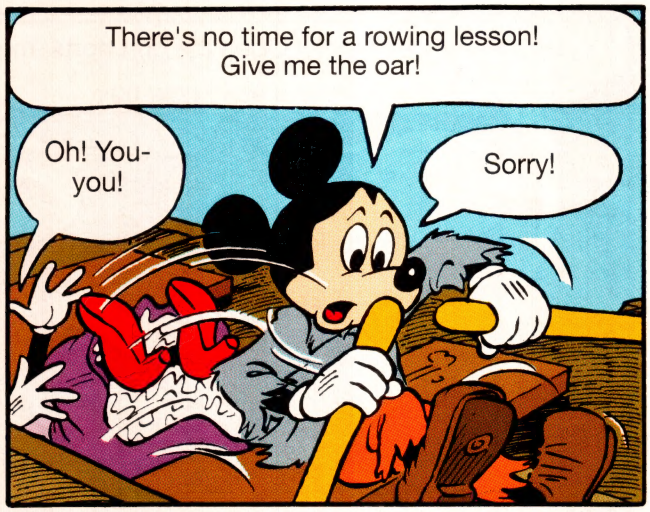
Wake up, Miss Minnie! Wake up!
Huh? Wha...?



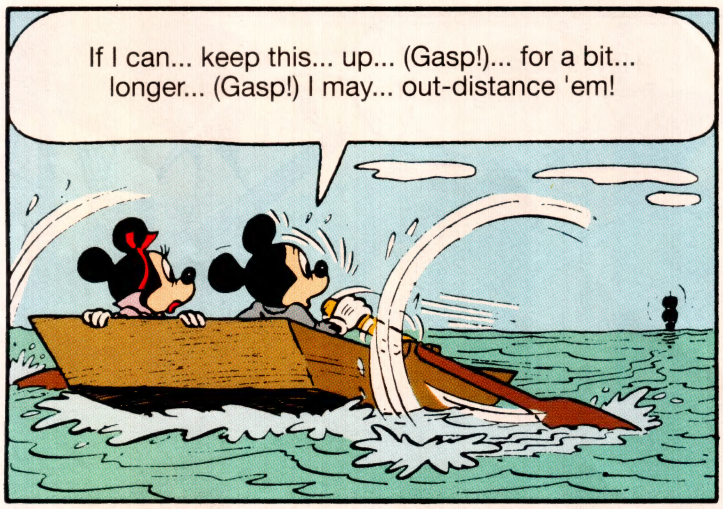
Grab an oar and row like you never rowed in your life!
B-b-but...



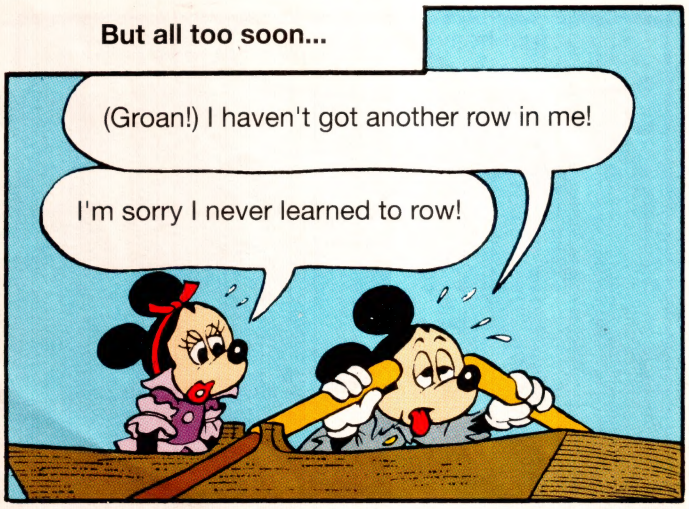
B-but I've never **rowed** before in my life!
Now she tells me!
SPLISH!
SPLOSH!



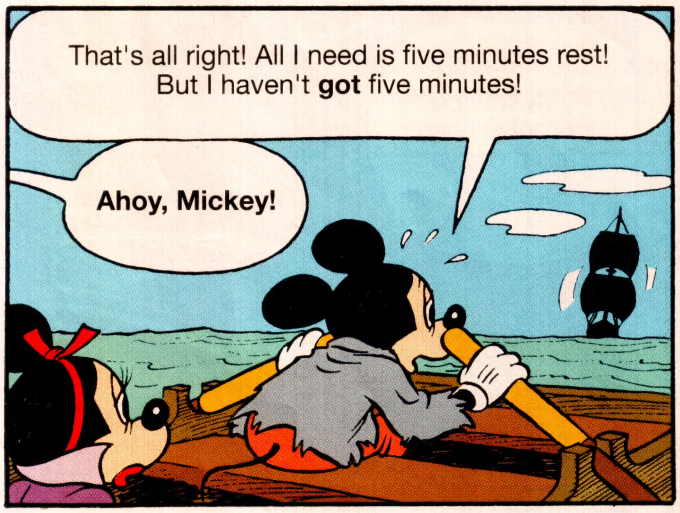
There's no time for a rowing lesson! Give me the oar!
Oh! You-you!
Sorry!



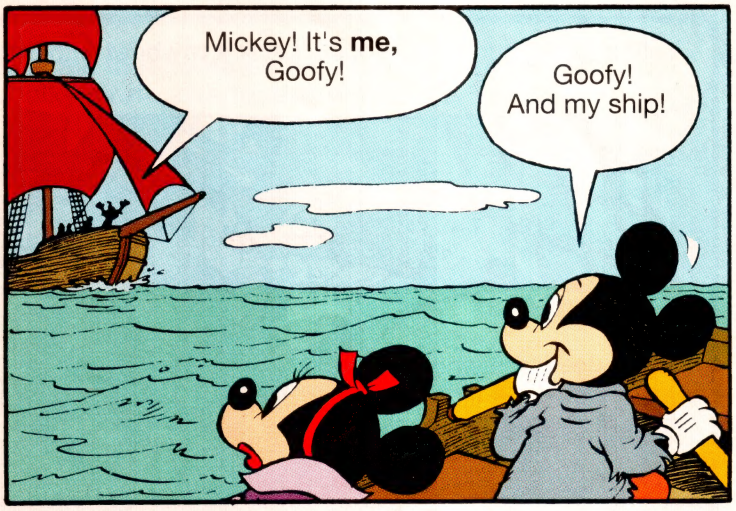
If I can... keep this... up... (Gasp!)... for a bit... longer... (Gasp!) I may... out-distance 'em!



But all too soon...
(Groan!) I haven't got another row in me!
I'm sorry I never learned to row!

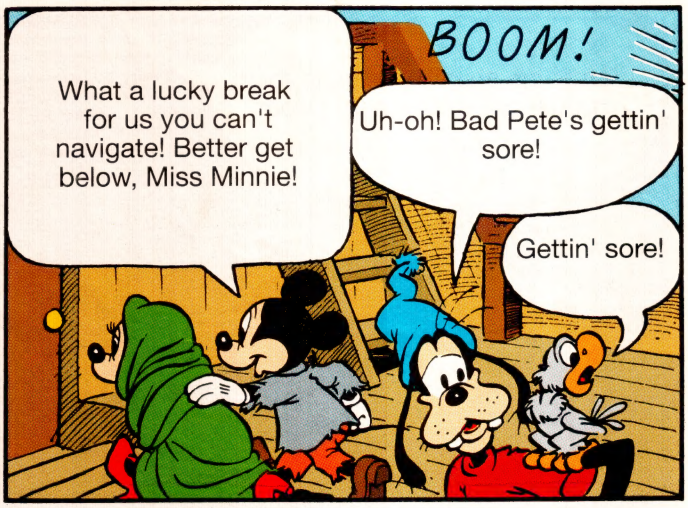


That's all right! All I need is five minutes rest! But I haven't **got** five minutes!
Ahoy, Mickey!

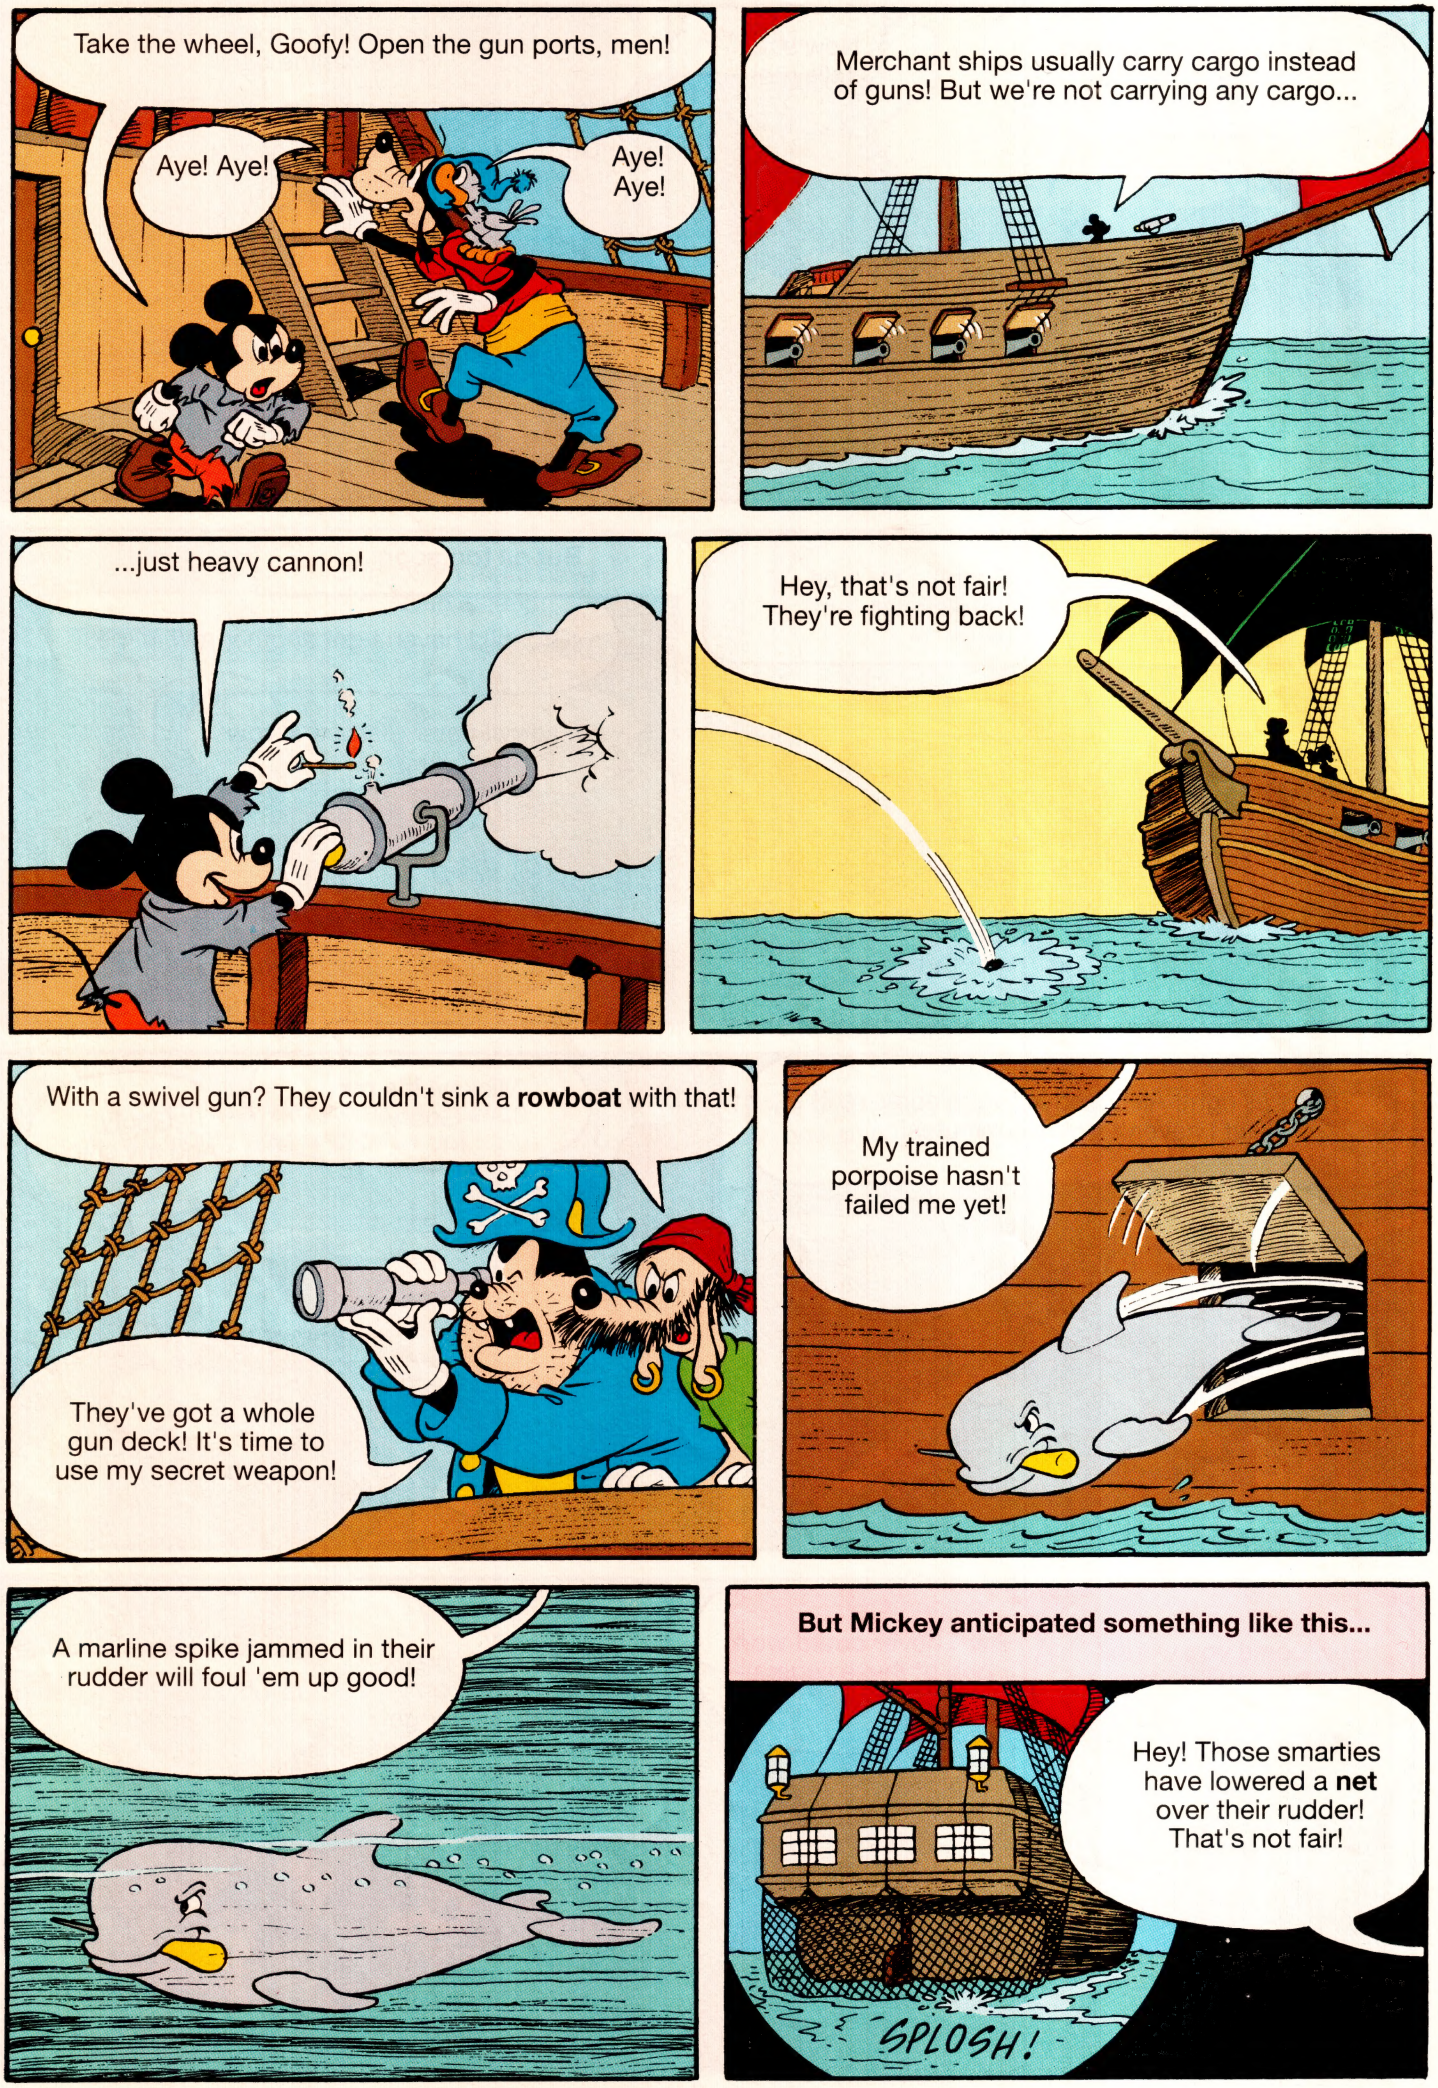


Mickey! It's **me,** Goofy!
Goofy! And my ship!

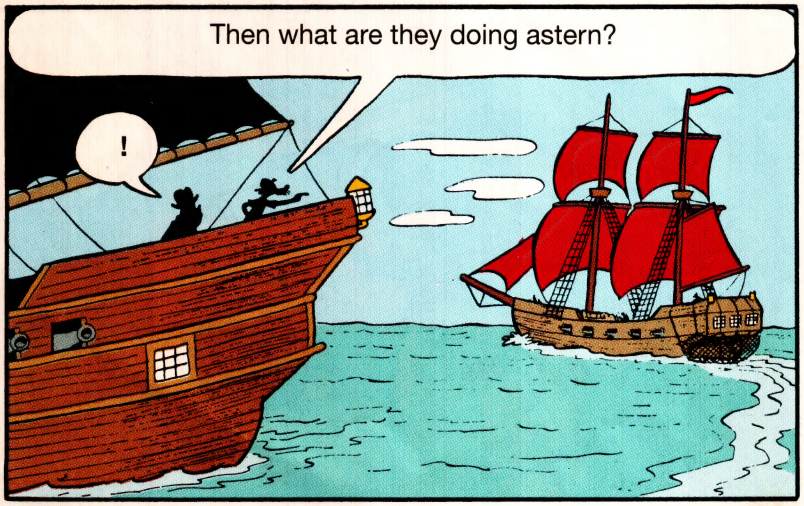
How come you wound up here, miles from where we were supposed to meet?
Aw, I never **could** work one of these jiggers!



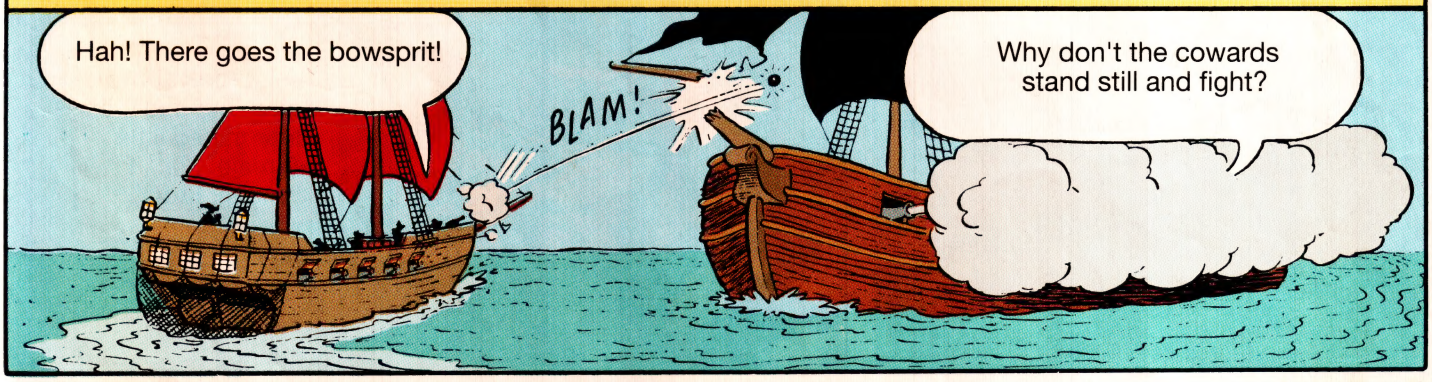
What a lucky break for us you can't navigate! Better get below, Miss Minnie!
BOOM!
Uh-oh! Bad Pete's gettin' sore!
Gettin' sore!

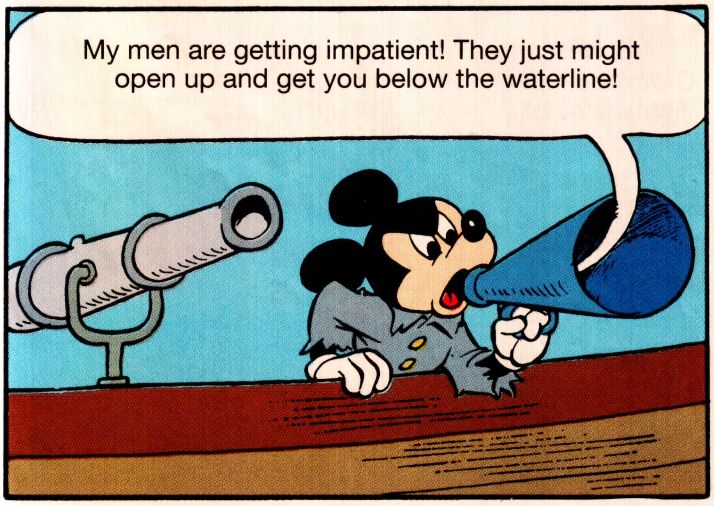


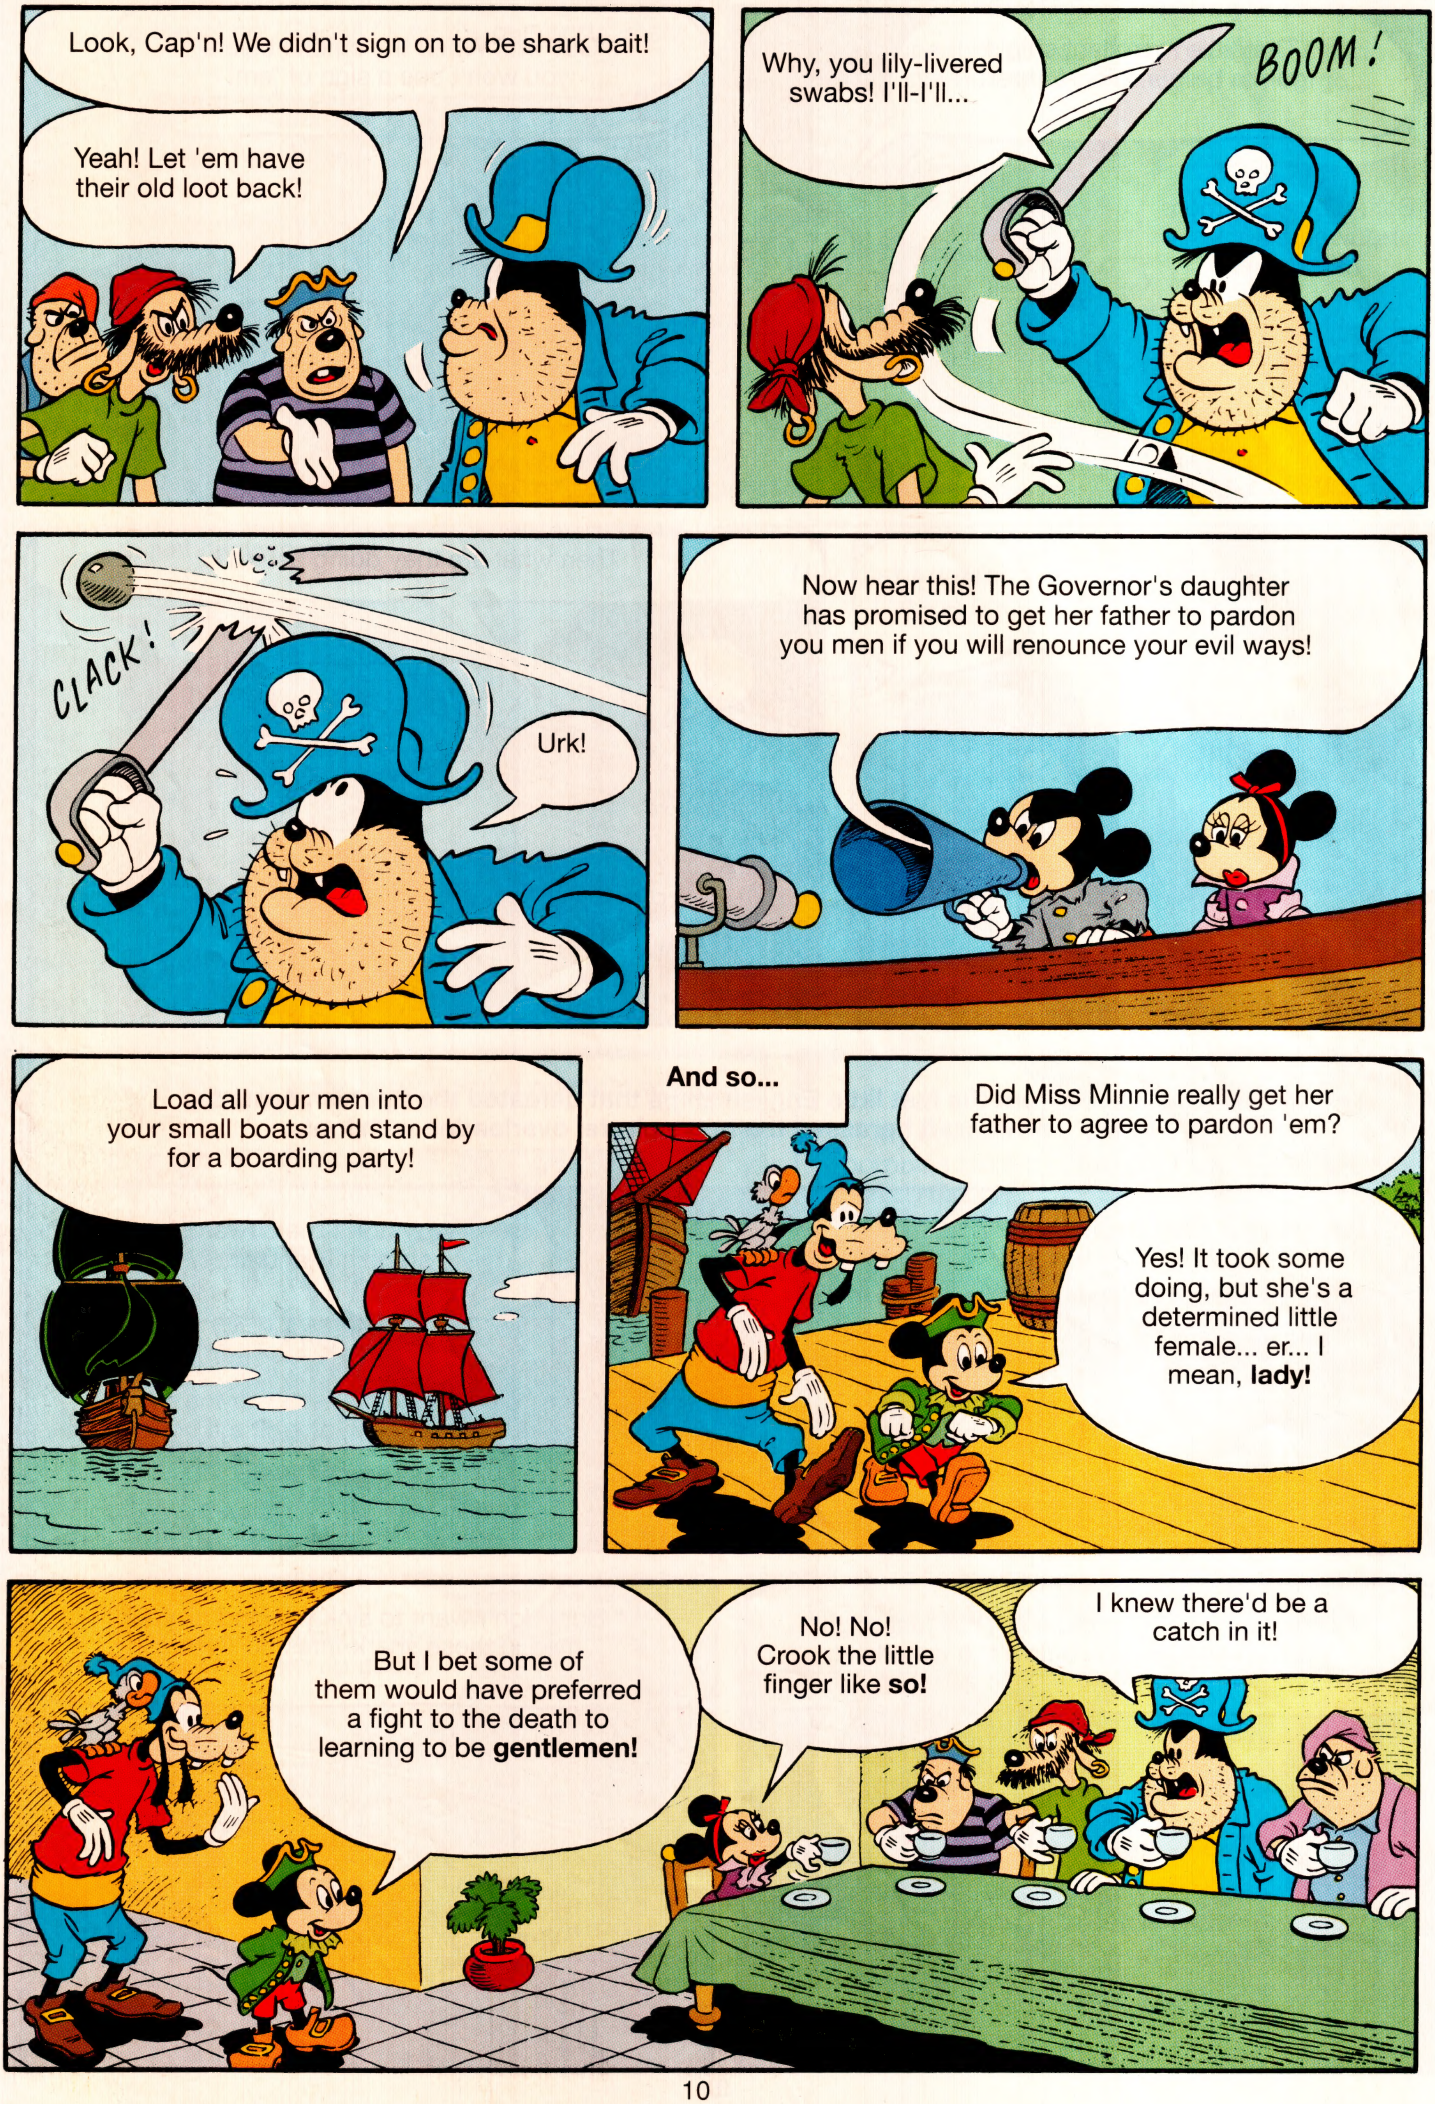
Take the wheel, Goofy! Open the gun ports, men!
Aye! Aye!
Aye! Aye!
Merchant ships usually carry cargo instead of guns! But we're not carrying any cargo...
...just heavy cannon!
Hey, that's not fair! They're fighting back!
With a swivel gun? They couldn't sink a **rowboat** with that!
They've got a whole gun deck! It's time to use my secret weapon!
My trained porpoise hasn't failed me yet!
A marline spike jammed in their rudder will foul 'em up good!
But Mickey anticipated something like this...
Hey! Those smarties have lowered a **net** over their rudder! That's not fair!
SPLOSH!



Taking a lesson from the fast little English ships that defeated the Spanish Armada, Mickey's swift craft harassed the bulky pirate, overloaded with loot...







Look, Cap'n! We didn't sign on to be shark bait!
Yeah! Let 'em have their old loot back!
Why, you lily-livered swabs! I'll-I'll...
BOOM!
CLACK!
Urk!
Now hear this! The Governor's daughter has promised to get her father to pardon you men if you will renounce your evil ways!
Load all your men into your small boats and stand by for a boarding party!
And so...
Did Miss Minnie really get her father to agree to pardon 'em?
Yes! It took some doing, but she's a determined little female... er... I mean, lady!
But I bet some of them would have preferred a fight to the death to learning to be gentlemen!
No! No! Crook the little finger like so!
I knew there'd be a catch in it!

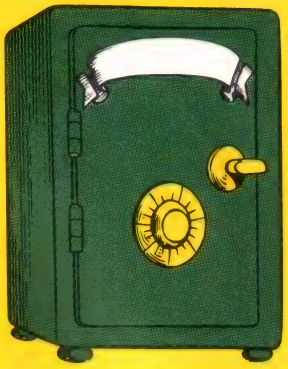
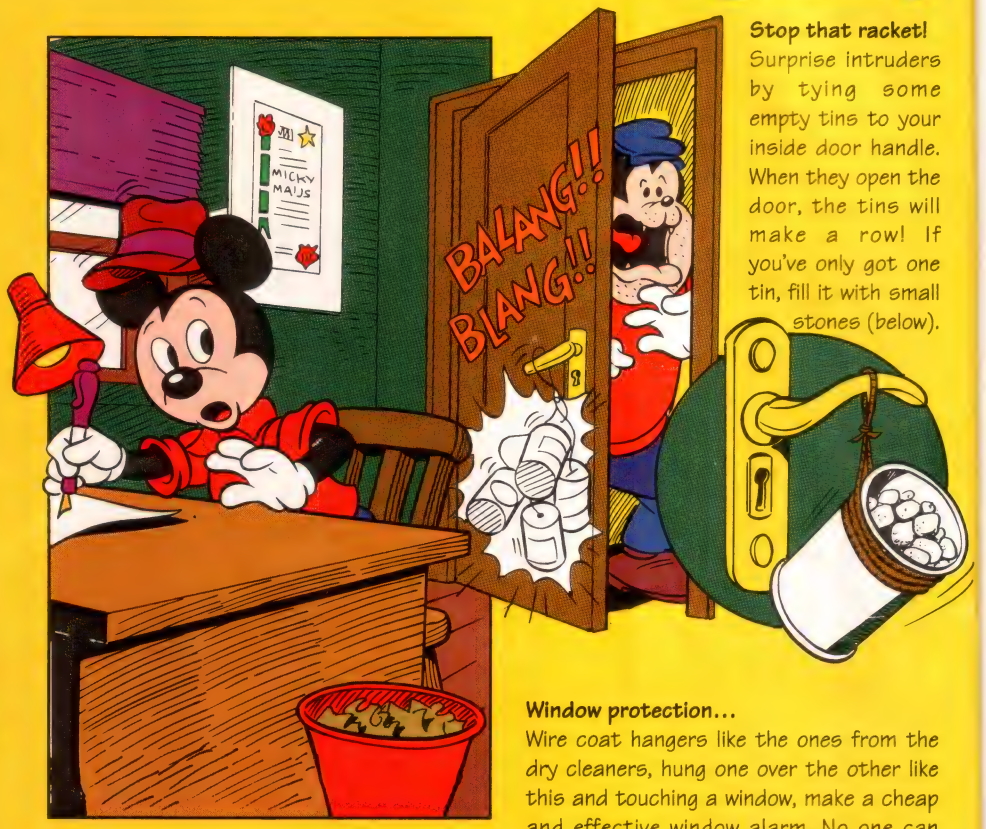
6 TIPS TO HELP NEW DETECTIVES



When a detective is working on a tough case, he won't have many friends - and he could have some enemies! So be prepared for any unwelcome visitors with these tips on fixing up your own personal alarms...

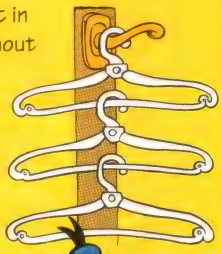
Scrunchy crisp bags...
Scatter some empty crisp bags between your bed and the door. No one can then reach you in bed without making a crunchy, crackling noise underfoot!

Ring-a ding!
You can do all sorts of things with a bell and a length of strong string. Rig the string to a door so that if a stranger enters your territory the bell rings just above your head. You hear them before they see you!

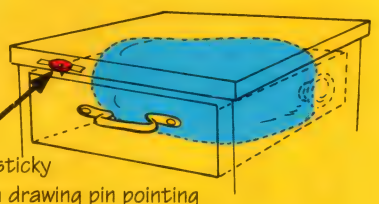


Stop that racket!
Surprise intruders by tying some empty tins to your inside door handle. When they open the door, the tins will make a row! If you've only got one tin, fill it with small stones (below).

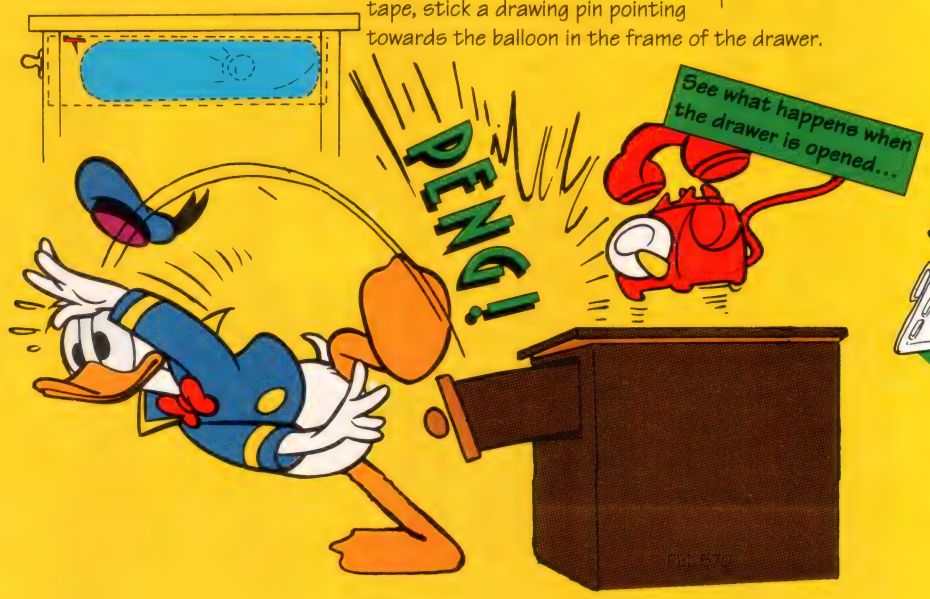
Window protection...
Wire coat hangers like the ones from the dry cleaners, hung one over the other like this and touching a window, make a cheap and effective window alarm. No one can open the window to get in and snoop around without rattling the hangers - and they'll make enough noise to wake up the cat!

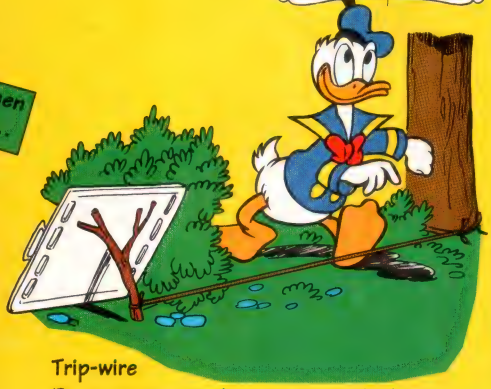


Go out with a bang!
Keeping private papers in a drawer? Here's one way to keep out snoopers... get a balloon, preferably the "sausage" kind, blow it up and squeeze it into the open drawer just in front of the secrets you want to protect.



Then, using sticky tape, stick a drawing pin pointing towards the balloon in the frame of the drawer.



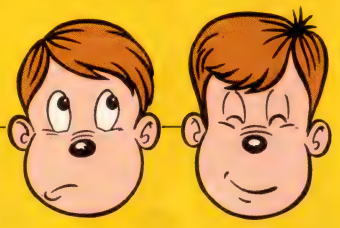


Trip-wire
Protect your garden... anyone tripping on this rope pulls out the stick, the board falls with a bang, and you're on the alert at once!

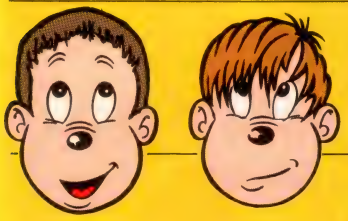
6 WAYS OF DISGUISING YOURSELF

To investigate a case without being recognised, you need to disguise yourself. That's easier than you think if you follow these tips ...

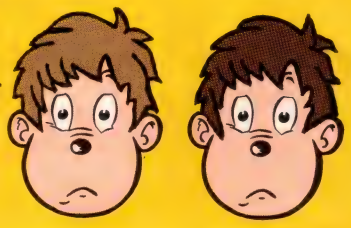
Changing your hair-style
A different hair-style can completely change your look. Here's how:



Parting on the opposite side.



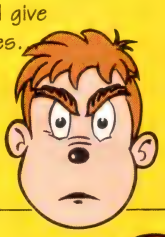
Swept back hair, or brushed forward.



Change the colour. Ask Mum or your big sister how to go about it!

Face lift!
You'll be surprised how a bit of make-up can change your face. Your mother or sister will give you advice, meanwhile, here are a few examples.

You can darken your eyebrows, thicken them, change their direction - all with just a few sweeps of an eyebrow pencil.



A bit of eye-shadow is all you need for a black eye. That'll make you look very different!

Use a brown eyebrow pencil to "grow" a few freckles. They'll give you a "younger" look!

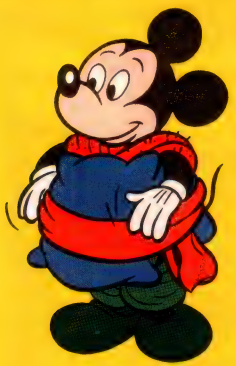
Important: Don't overdo it by turning your face into a clown's. Just alter your appearance with a few deft touches!

Wearing specs...
... they come in so many designs these days they can give you a complete personality change.

Change your walk!
People are often recognised just by the way they walk - so a change of pace can make you seem like a different person! Try these...

- Take small, mincing steps.
- Limping - it helps you get to the front of the queue!
- Take long, lolloping strides.
- Walk with bandy legs.

Body language...
If you suddenly put on a lot of weight even your best friend won't recognise you - so your worst enemy won't have a chance! Here's how to "fatten up": put a couple of pillows under your coat, scarves up your sleeves and down your trousers, handkerchiefs over your shoulders, a cushion over your tummy.



Keep them all against you with a long scarf tied around your body and wound around your neck to "thicken" it. Cover all these "additions" with a coat borrowed from someone who's bigger than you. Raise the collar to disguise your new "thick" neck. A hat will help to "age" you, a stick will make you look positively elderly! If you don't believe you'll look different when you're fat, take a look at Mickey!

THE PORTABLE DISGUISE KIT!
When you're trailing a suspect (like this fellow in stripes), make sure you're carrying a disguise!
Slip into an entrance or doorway...
... do a quick change using the contents of your bag...
... back on the trail, you're a new you!
The bag holds a different coloured pullover, a wig, specs, and other things. And don't forget to change your way of walking!

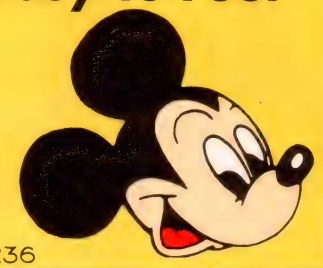
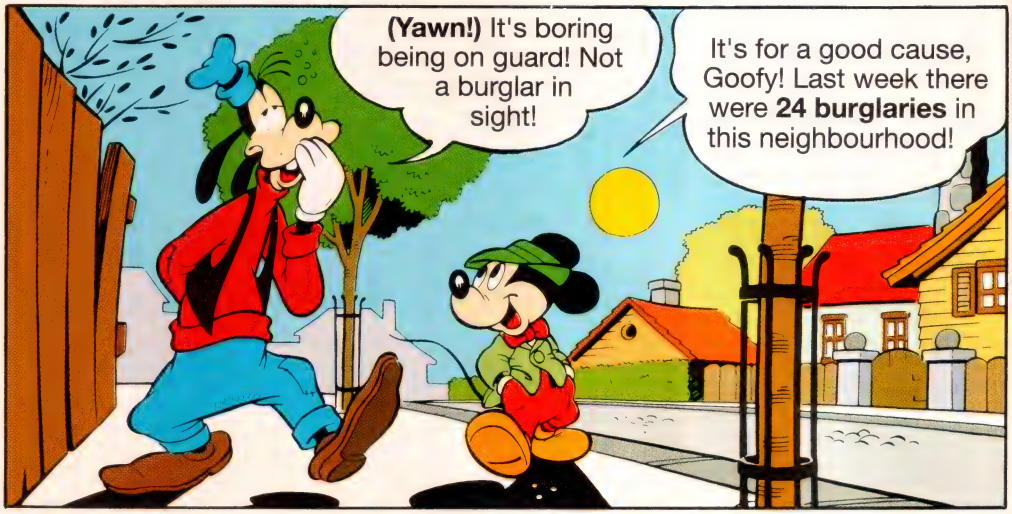
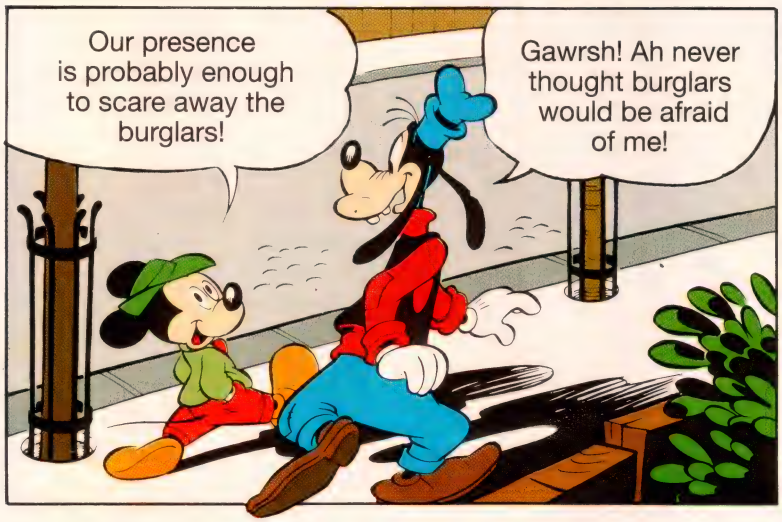
Easy To Fool

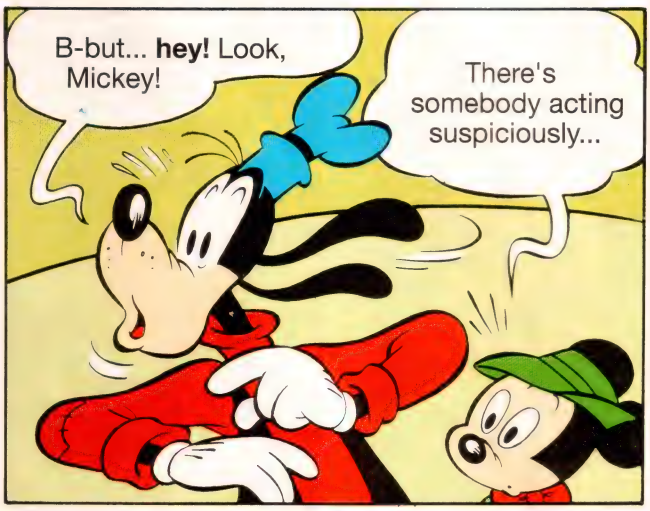


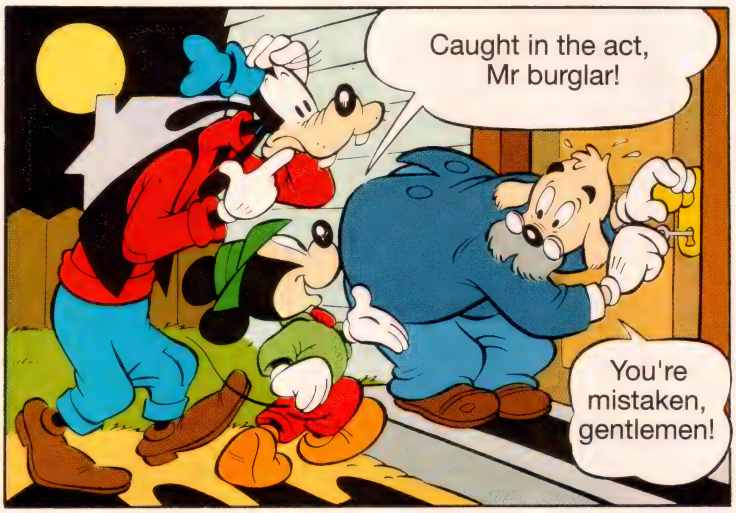
H 9236

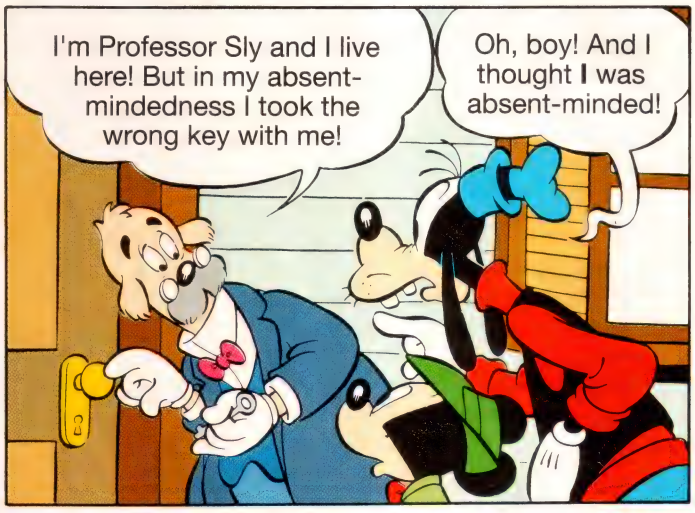


(Yawn!) It's boring being on guard! Not a burglar in sight!
It's for a good cause, Goofy! Last week there were **24 burglaries** in this neighbourhood!

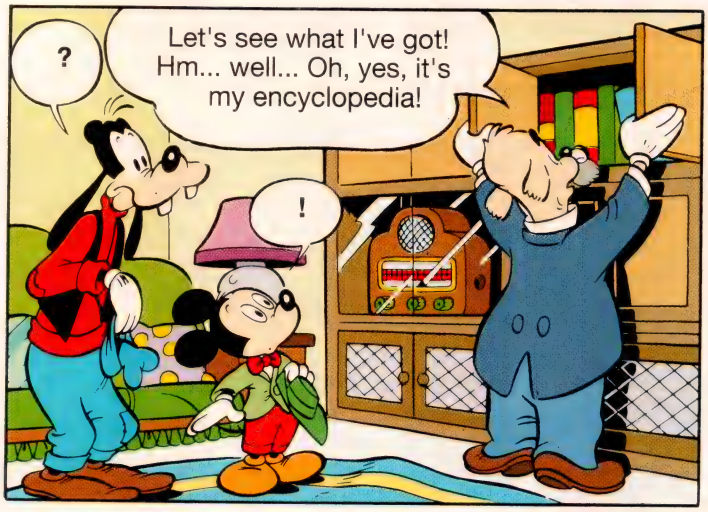




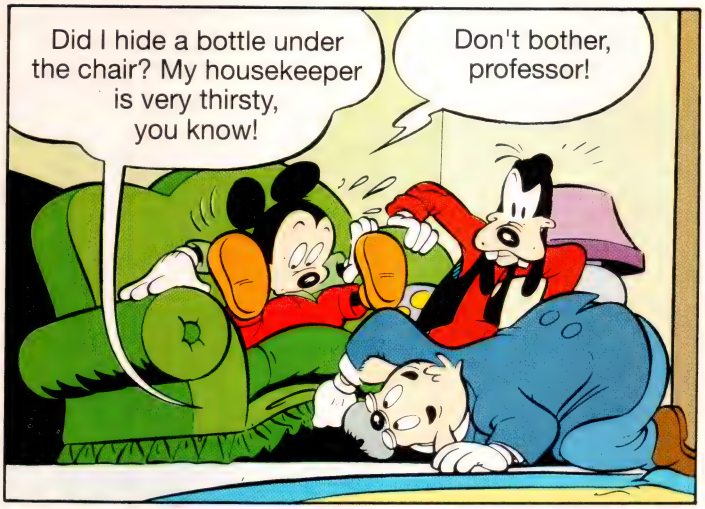




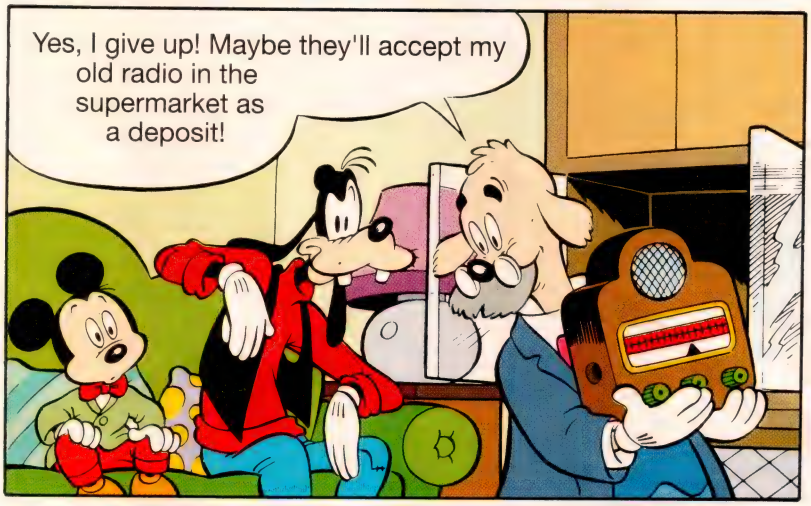
I'm Professor Sly and I live here! But in my absent-mindedness I took the wrong key with me!
Oh, boy! And I thought **I** was absent-minded!



?
Let's see what I've got! Hm... well... Oh, yes, it's my encyclopedia!
!

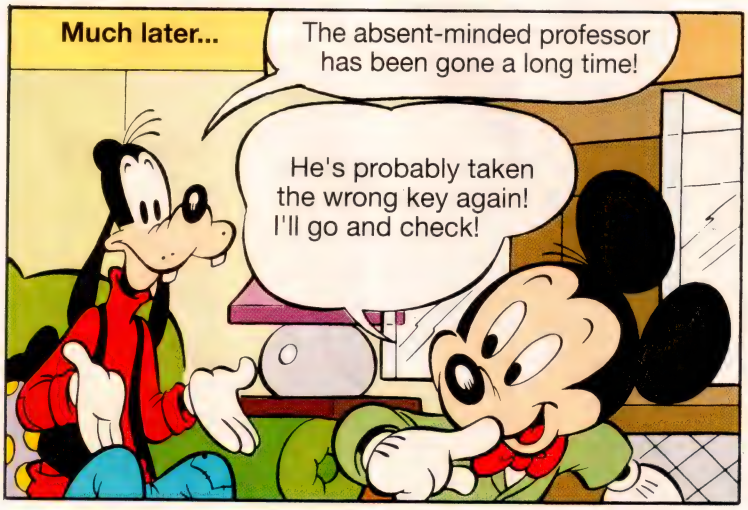


Did I hide a bottle under the chair? My housekeeper is very thirsty, you know!
Don't bother, professor!

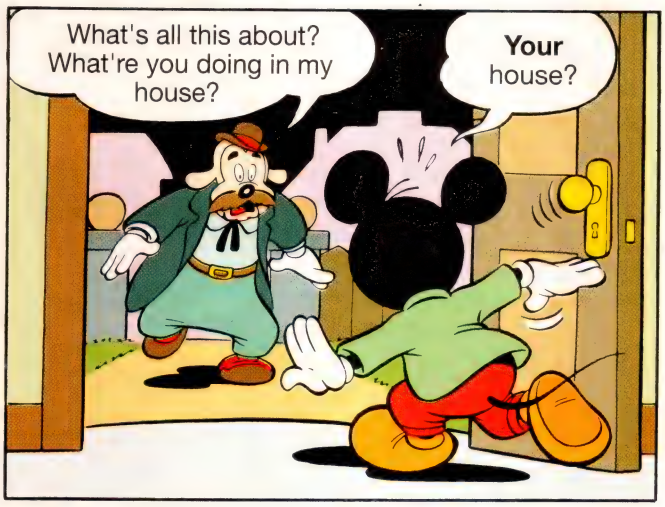


Yes, I give up! Maybe they'll accept my old radio in the supermarket as a deposit!

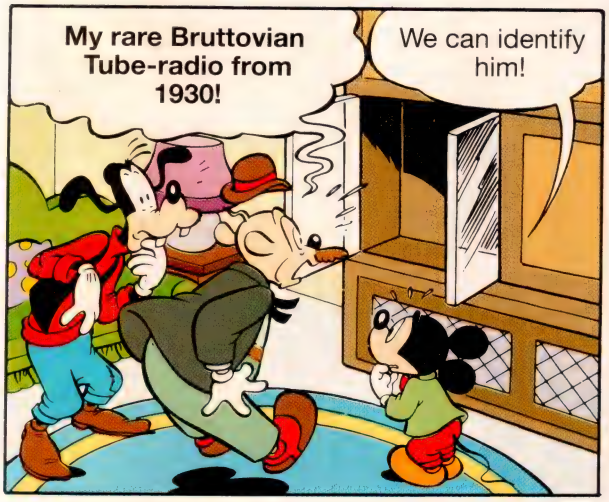
He's really confused! Shouldn't we stop him?
Too late - he's gone already! He'll probably return soon because the supermarket closed a long time ago!



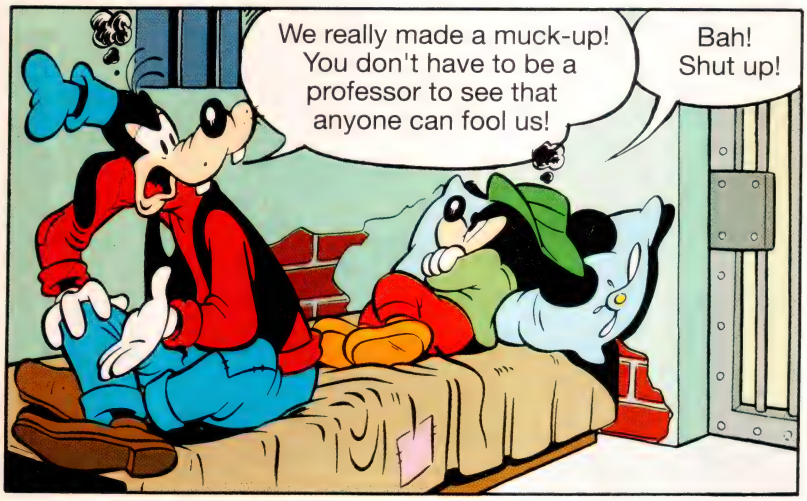
Much later...
The absent-minded professor has been gone a long time!
He's probably taken the wrong key again! I'll go and check!



What's all this about? What're you doing in my house?
Your house?



My rare Bruttovian Tube-radio from 1930!
We can identify him!



We really made a muck-up! You don't have to be a professor to see that anyone can fool us!
Bah! Shut up!

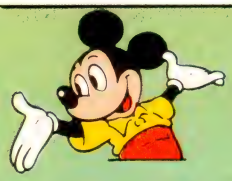
TRICKS 'N THINGS

Trick of the week

"TAILS" ABOUT JOKES!

A "TAIL" OF CLIPS

Make a "tail" at a grown-up's writing desk by joining all their paper clips together! What's really boring is taking one off the "tail" every time a clip is needed!



THISAWAY AND THATAWAY!

A palindrome is a word which reads backwards as well as forwards. With the help of the clues below, see if you can complete these palindromes:

Action	D - - D
A little look	P - - P
She's a lady!	M - - - M
Helicopter blade	R - - - R
Even	L - - - L

Answer:

Deed, peep, madam, rotor, level.

CLATTER! CLANG!

A "TAIL" OF TINS

Get a bunch of old tin cans, tie them together with some string, and tie one end to the rear bumper of a relative's car! Push the tins underneath the car and watch what happens when the driver gets in and drives away! It makes a terrible racket!

Teacher: "Jack, where is Felixstowe?"
Jack: "On the end of Felix foot!"

I BETCHA...

... I can blow you right off the table! For this bet you need a book and a large balloon. Put the balloon, deflated, on the table, and lay the book on it. Get your victim to sit on the book. Then start blowing up the balloon. The book will rise and the victim will fall off!

If you don't have enough puff for this trick, ask an adult to demonstrate!

CAR QUIZ

Can you name the countries represented by the following international car registration letters?

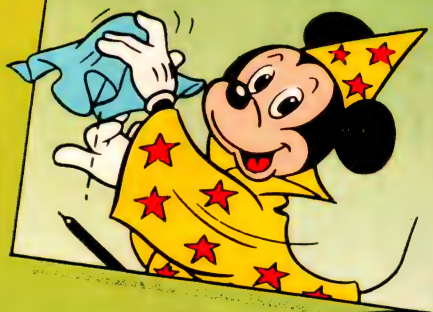
CND PA D E A GB

Answer: Canada, Panama, Germany (Deutschland), Spain (España), Austria and Great Britain.

THE VANISHING PENCIL

All you need for this trick is a pencil and a large handkerchief.

1. Hold up the pencil as Mickey is doing.



2. Drop the handkerchief over the pencil. Then, unobtrusively, let the pencil drop and replace it with your outstretched forefinger.

3. Now the handkerchief is draped over your forefinger, but the audience still thinks it's the pencil!

4. Remove the handkerchief with a flourish and hey, presto! The pencil's gone! Just make sure the pencil's buried somewhere in your lap or down your sleeve!

FISHING FOR FOUR!

The names of four fish are hidden in these sentences:

1. Yesterday we went to the zoo to see the elephants.
2. I last saw her over a year ago.
3. Each year adds another ring to a tree's trunk.
4. We had milkshakes this afternoon.

Answers: 1. Eel; 2. ray; 3. herring; 4. hake

DO-IT-YOURSELF CORNER

You're in the picture!

This easy to make puzzle just needs two passport photos and a matchbox. Stick one of the photos on the matchbox, cut the other into squares and put them in the box. A friend can refer to the uncut picture to make up the jigsaw picture of you!

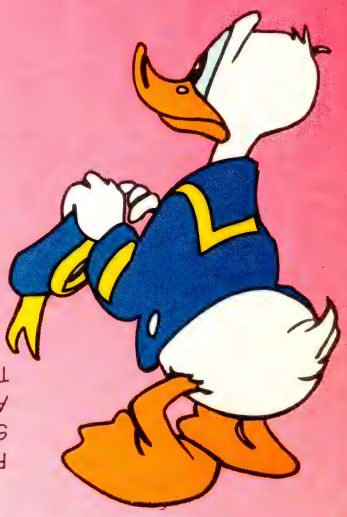
QUIZ!

WHO'S NAME IS THAT?

Can you name the famous people, past and present, known by the following nicknames:

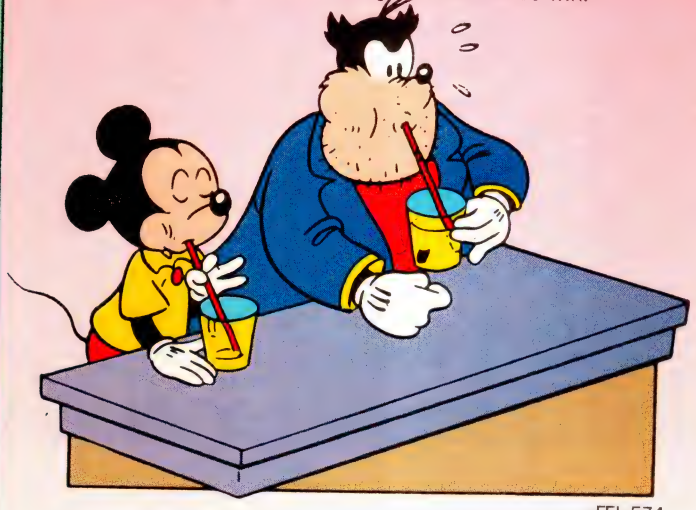
The Lady of the Lamp; The Bard of Avon; Old Blue Eyes; The Maid of Orleans; Gazza; The Iron Lady.

Florence Nightingale, William Shakespeare, Frank Sinatra, Joan of Arc, Paul Gascoigne, Margaret Thatcher.



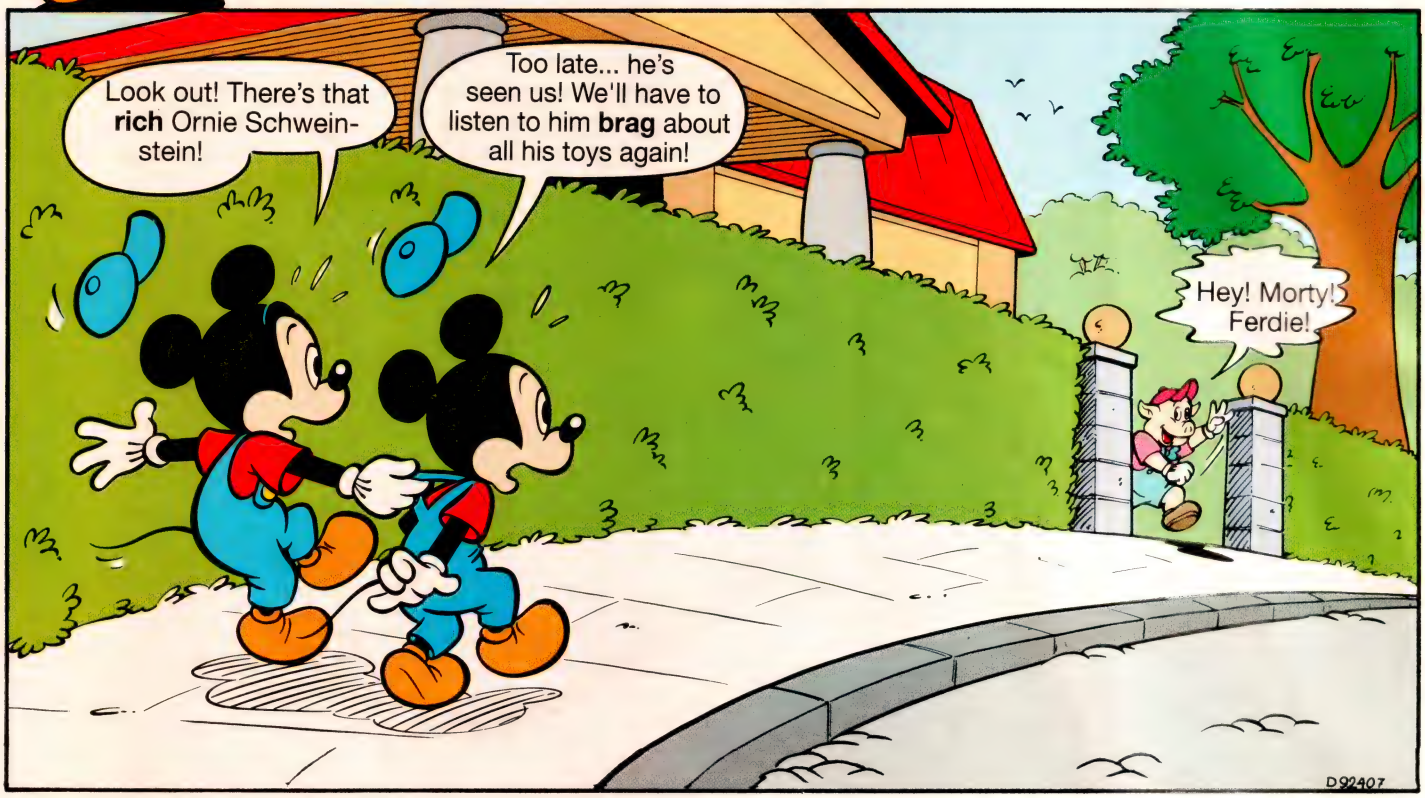
EX-STRAW-DINARY!

"I bet you can't drink a glass of lemonade through a straw as fast as me!" you say to a friend. If you make sure he has the straw in which you've already made a few needle-sized holes, you're bound to win!

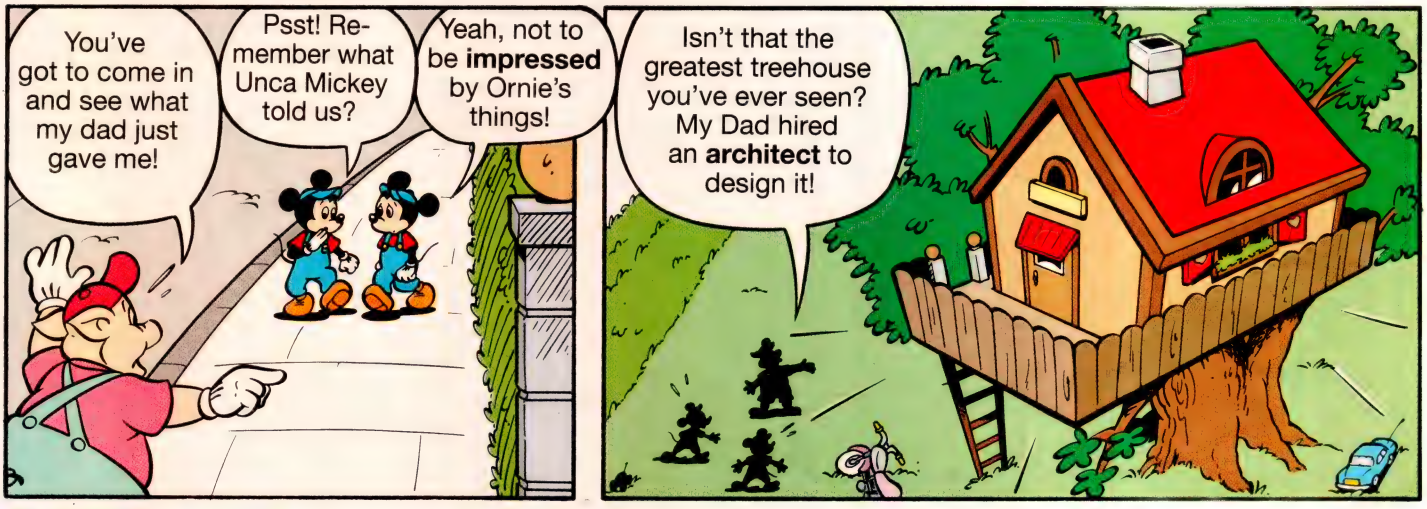


MORTY AND FERDIE

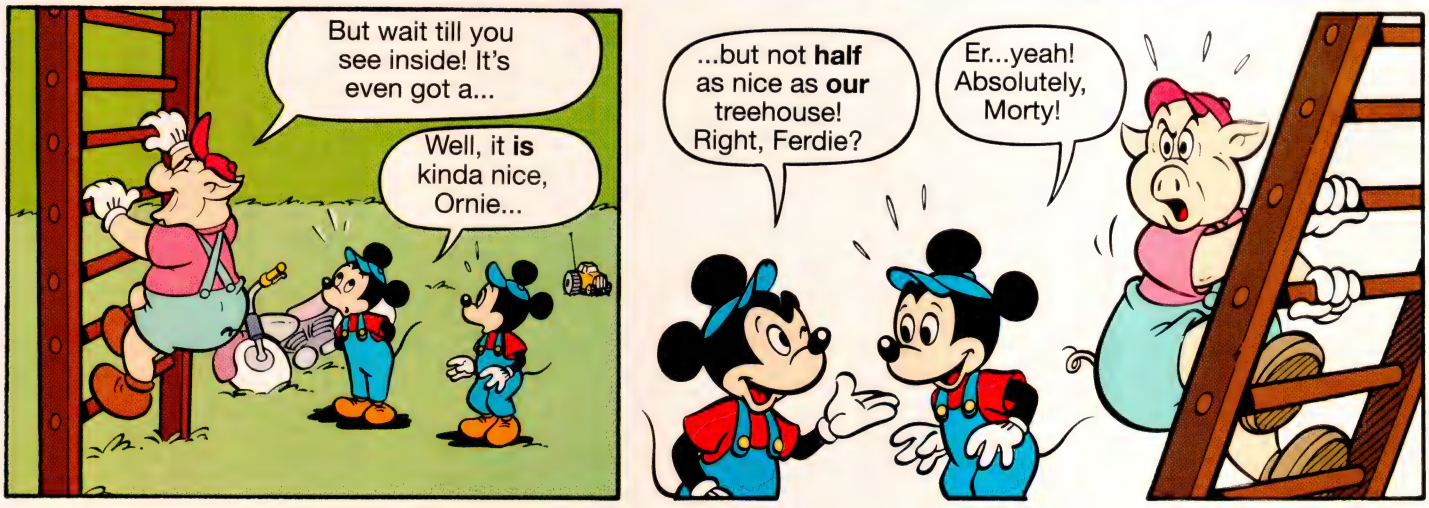
High Standard



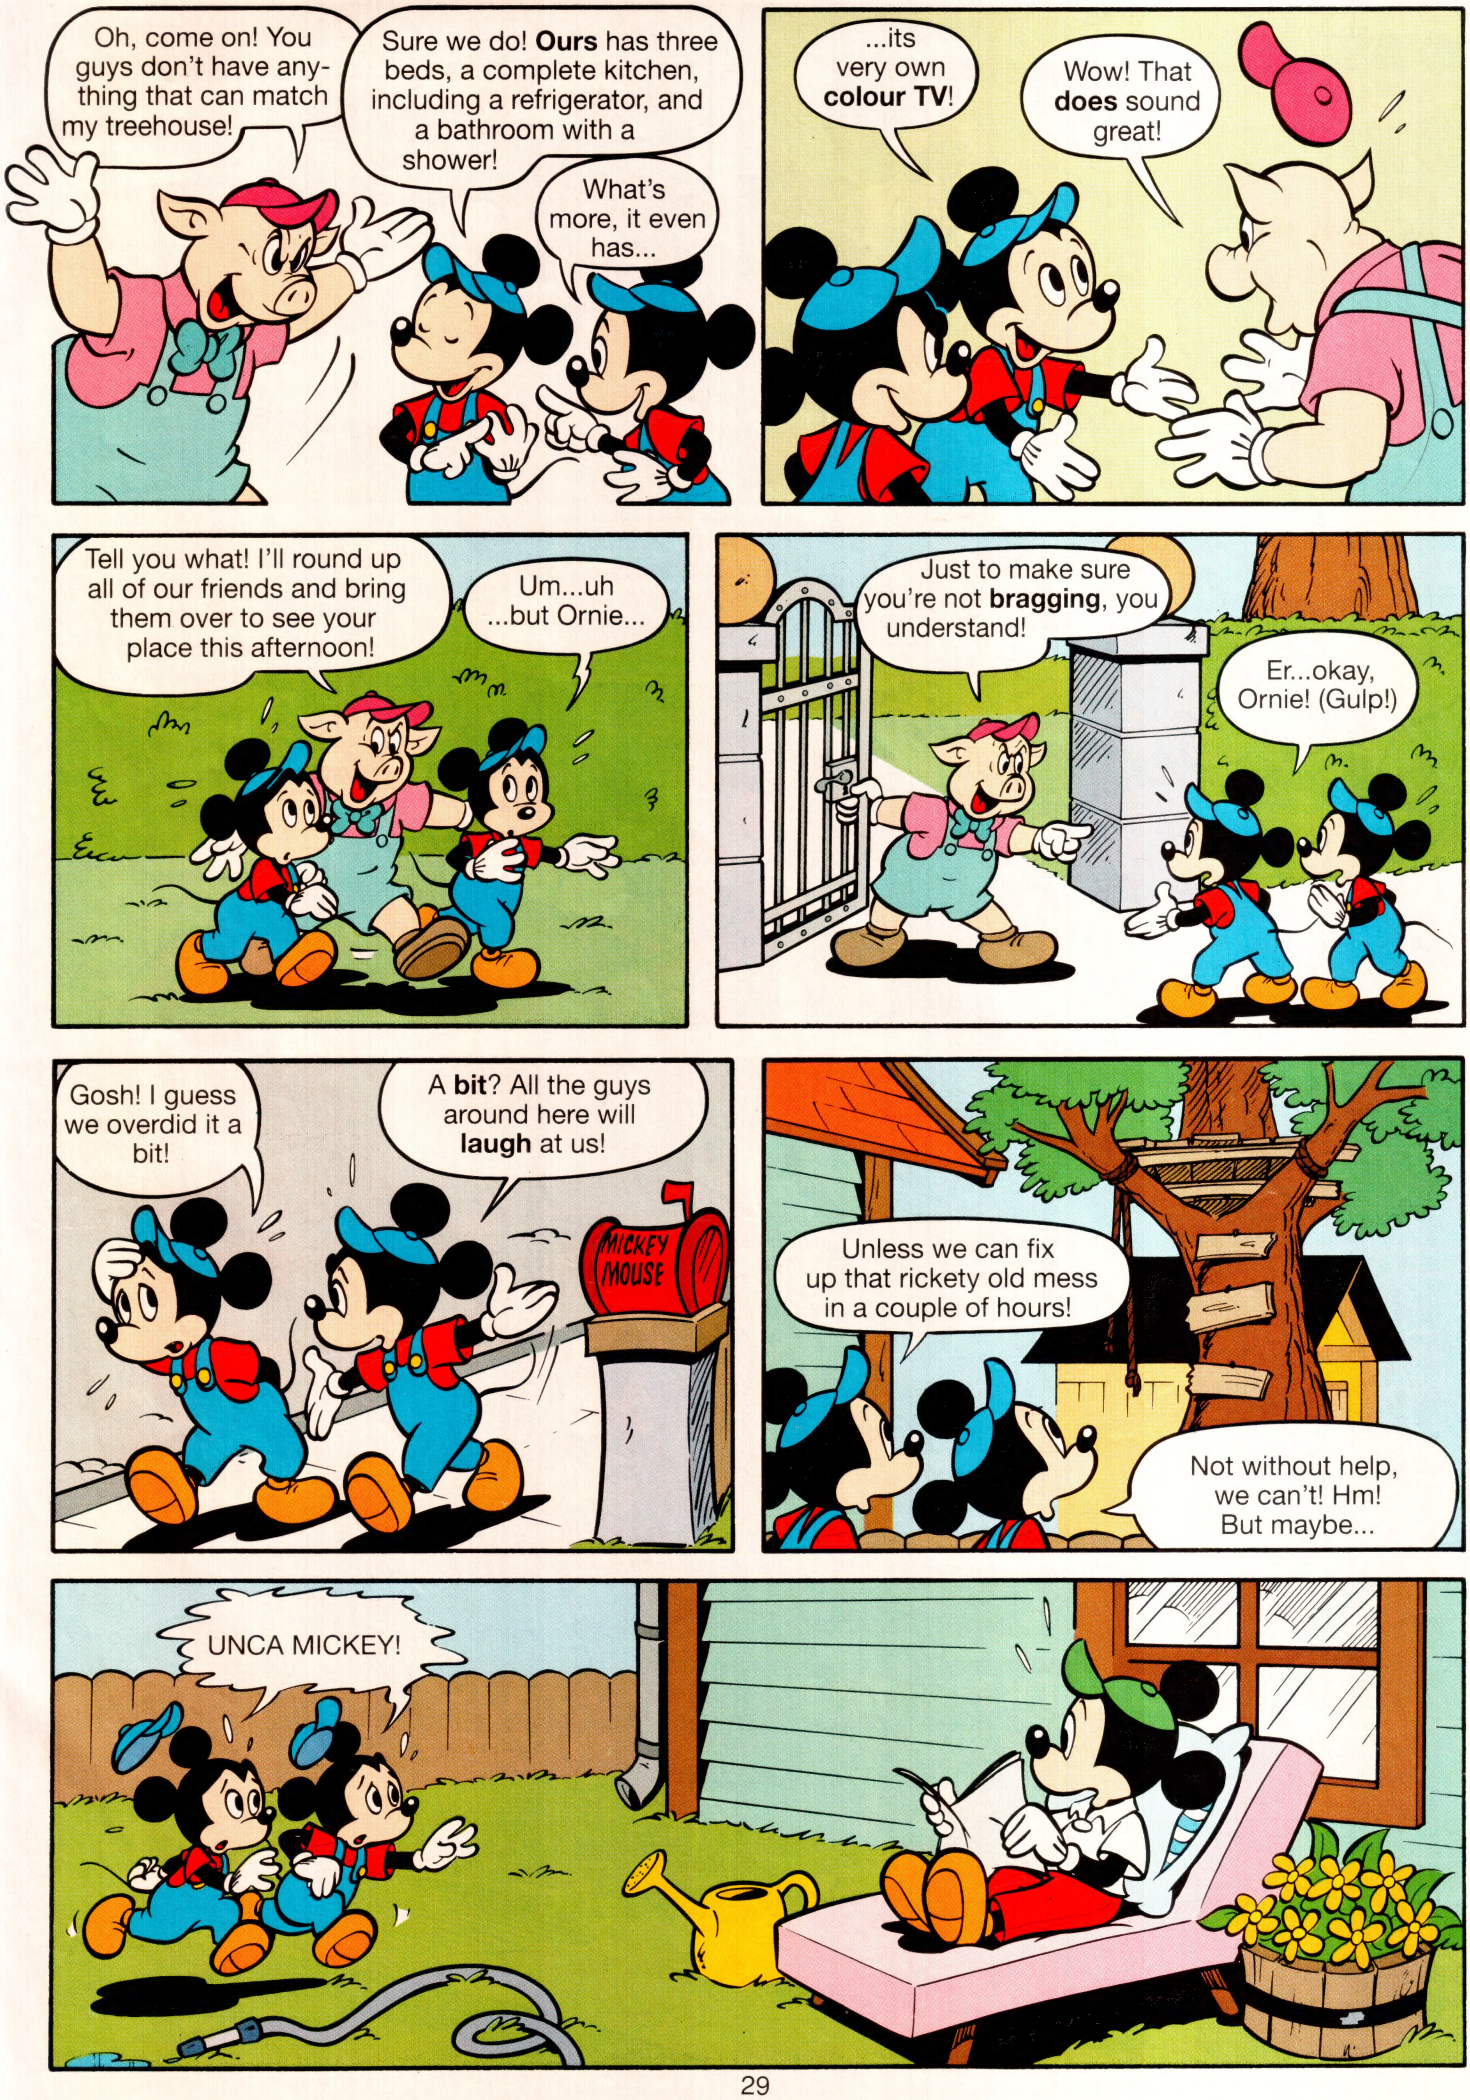
Look out! There's that **rich** Ornie Schwein-stein!
Too late... he's seen us! We'll have to listen to him **brag** about all his toys again!
Hey! Morty! Ferdie!
D92407



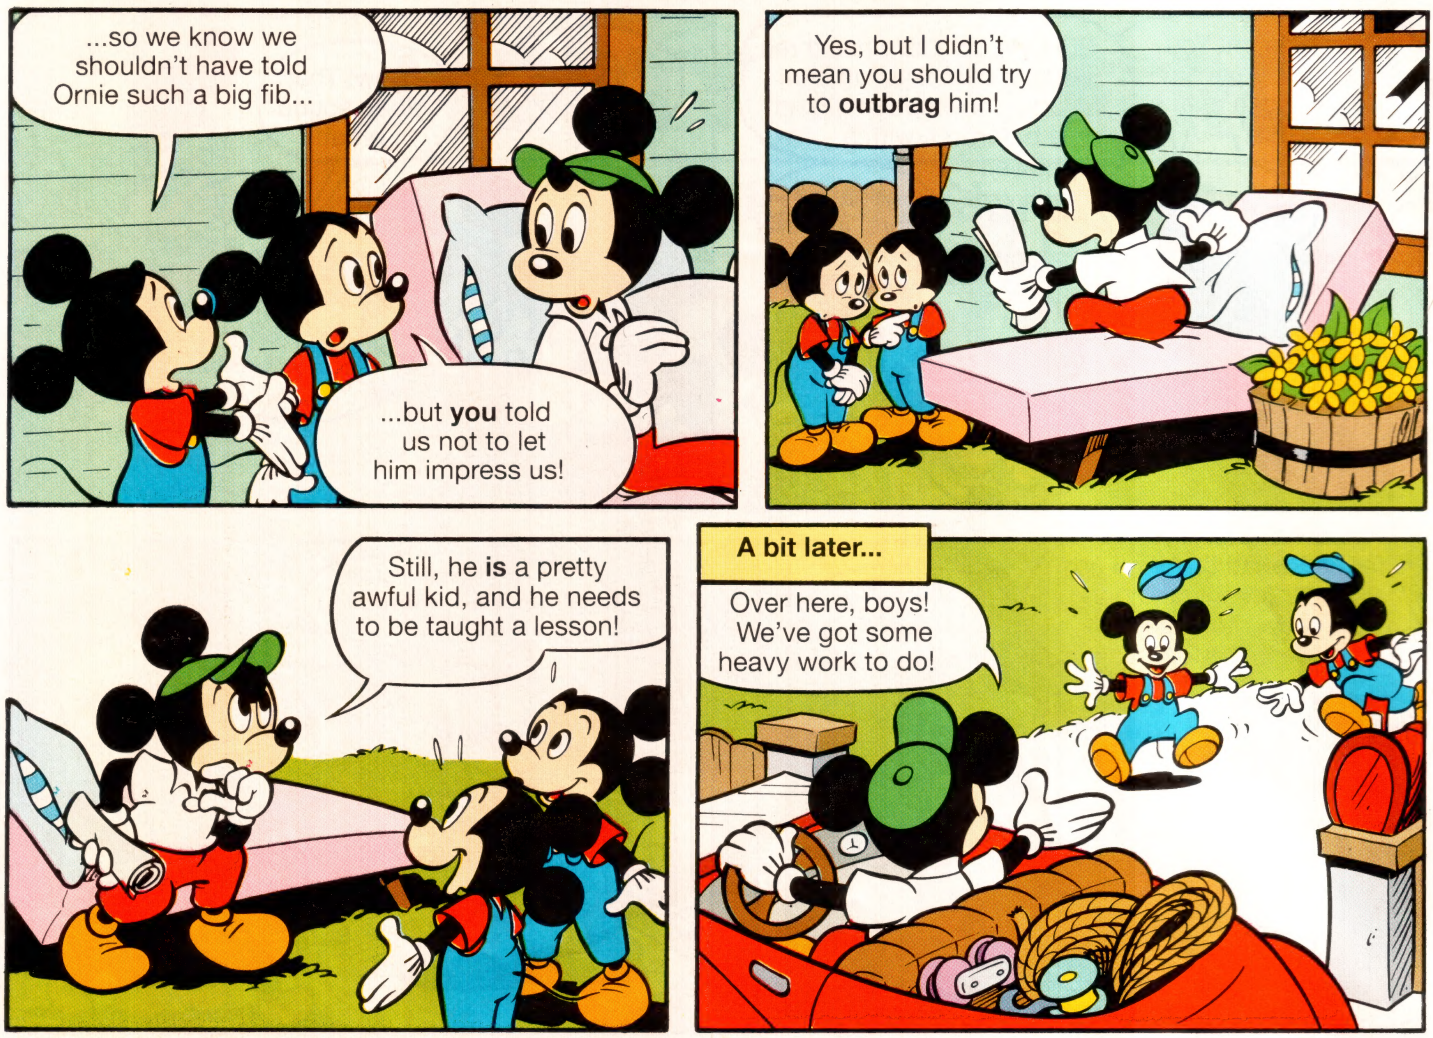
You've got to come in and see what my dad just gave me!
Psst! Remember what Unca Mickey told us?
Yeah, not to be **impressed** by Ornie's things!
Isn't that the greatest treehouse you've ever seen? My Dad hired an **architect** to design it!



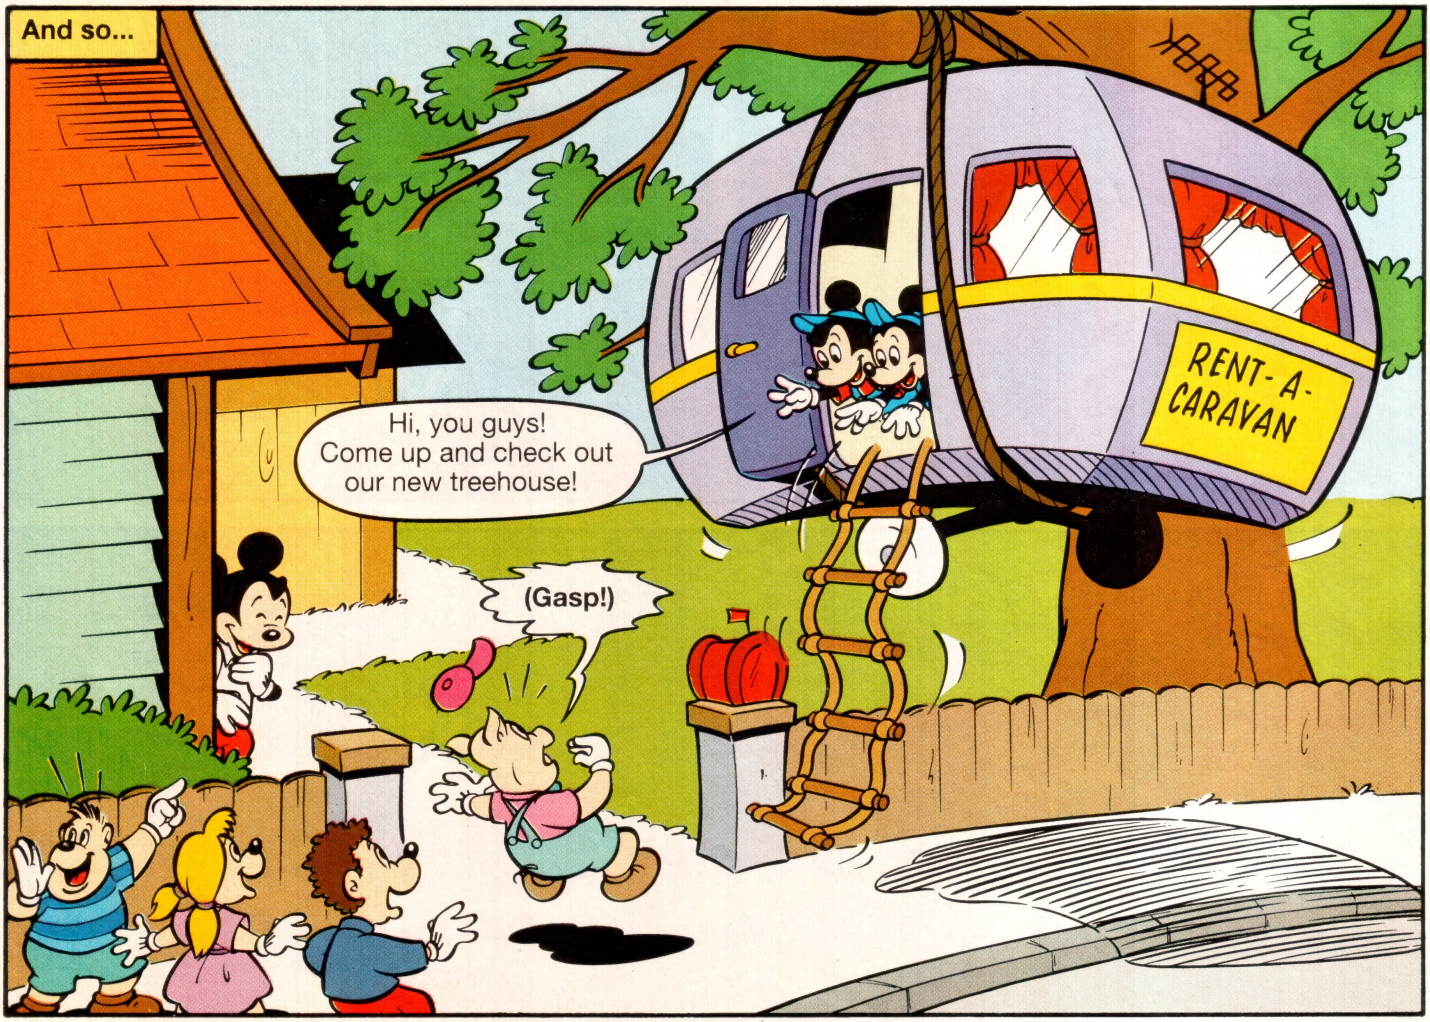
But wait till you see inside! It's even got a...
Well, it **is** kinda nice, Ornie...
...but not **half** as nice as **our** treehouse! Right, Ferdie?
Er...yeah! Absolutely, Morty!



Oh, come on! You guys don't have anything that can match my treehouse!
Sure we do! **Ours** has three beds, a complete kitchen, including a refrigerator, and a bathroom with a shower!
What's more, it even has...
...its very own **colour TV**!
Wow! That **does** sound great!
Tell you what! I'll round up all of our friends and bring them over to see your place this afternoon!
Um...uh ...but Ornie...
Just to make sure you're not **bragging**, you understand!
Er...okay, Ornie! (Gulp!)
Gosh! I guess we overdid it a bit!
A **bit**? All the guys around here will **laugh** at us!
MICKEY MOUSE
Unless we can fix up that rickety old mess in a couple of hours!
Not without help, we can't! Hm! But maybe...
UNCA MICKEY!



...so we know we shouldn't have told Ornie such a big fib...
...but **you** told us not to let him impress us!
Yes, but I didn't mean you should try to **outbrag** him!
Still, he **is** a pretty awful kid, and he needs to be taught a lesson!
A bit later...
Over here, boys! We've got some heavy work to do!



And so...
RENT-A-CARAVAN
Hi, you guys! Come up and check out our new treehouse!

This week's star picture comes from Isla McBain of Fife. It looks as if Minnie's received a love letter from Mickey!

SURPRISE! SURPRISE!

Hello to: **Sean Young** in East Kilbride, **Andrew** and **Rachel Haines** in Abingdon, **Carlina Roper** in Sheffield, **Michelle Craig** in Co. Antrim, **Stephen Smith** in Ashford.

Dear Mickey,
I can't write poems so I decided to write you a letter. I love you a lot and I will see you soon because I am coming to Euro Disney this year. Ask Aladdin to save a lamp for me! If I see you there, I will say hello. I always get your comic, it's brilliant!
Love from **Lisa Riley** of Lancs.
Gee! I can't wait to see you in Euro Disney and I'll speak to Aladdin for you. Love, Mickey.

A big thank you to **Cheryl Fisher** of Nottingham for her poem about Mickey and Minnie.
Mickey, Minnie you're both the best,
You play and dance, then have a rest,
You entertain the people well,
Everybody thinks your swell,
One day when I visit you,
Maybe I can join in, too!

Mickey is all ready for summer in this picture from **Lucie Jones** of Blackburn

Dear Huey, Dewey and Louie,
You are my favourite characters. I bet you want a rise in pocket money, and so do I! I get you all mixed up, please can you tell me what colours each of you wear?
Love, **Alastair Craig** of Oxon.
Hi, Alastair, it's Huey here! We keep asking Unca Donald for a rise in pocket money, but it's no good! In answer to your next question, I wear a red cap, Dewey wears a blue cap and Louie a green one. Love from Huey.
